## Experience

### DST SYSTEMS

Lawrence, KS

#### Financial Representative

Sep 2019 – Apr 2021

- Compile information about new accounts, enter account information into computers, and file related forms or other documents.
- Investigate and correct errors upon customers' request, according to customer and bank records.
- Provide world class service to our customers by processing service requests that come to the team through various channels including email, facsimile, and mail. Typical service requests include purchases, redemptions, transfers, exchanges, account maintenance and new account set-up.
- Cross-training in different areas to expand knowledge base and help develop new skills as I advance in the company.

### LOGISMAR

Casablanca, Morocco

#### Software Engineer Intern

June 2021 – Aug 2021

- Developing applications using Java and Apache POI to parse and represent data from excel files.
- Documenting and testing new software applications used to keep track of inventory using Python.
- Collaborating and shadowing with senior leaders.
- Proactively learning about new technologies

## Leadership & Activities

### LOCALE

Lawrence, KS

#### Co-founder

March 2021

- Co-founded “Locale”, a company whose mission to streamline group safety through an easy to use and accessible platform
- Develop and implement business plan and strategy, identify, and exploit new opportunities.
- Build and maintain professional relationship with potential partners and investors
- Pro-actively participated in all facets of the company and worked closely with other executives in order to sustain growth and stabilize the business.
